

Hemlock Field Archers Indoor Youth Archery

Winter 2026

Our program is designed for both beginner and skilled archers . All archers will shoot on our indoor 18-lane range with 3D animal targets at varying distances.

Young and beginner archers will shoot at closer targets in their own section.

If needed we will have 2 time slots from 9:00-10:30 and 10:40—12:00. If there are less than 24 archers we will have one line from 9:30-11:30.

Archers will have weekly instruction and some friendly competition among their fellow shooters. We will have a "shot of the day" to win prizes and some archery games throughout the season.

Our coaches work well with kids and strive to be patient and encouraging.

The 10 week season will be held on Saturdays starting January 10th and will run through March 14th ~ 9:00 am—12:00 pm

Ages: 6—17 years old

Cost: \$10 per child for current members
(Membership is \$25 per child or \$100 for a family)

Compound archers need to bring their own equipment.
Recurve bows and arrows are available to use for \$15 a season.

Registration day is Saturday. January 10th

There will be 2 time slots, one at 9am and one at 10am to fill out forms and pay.

After registering, archers will receive range intro and safety instruction followed by a shortened time of shooting.

All youth who will be using the club's equipment will be fitted for a bow at registration.

If archers have their own bow and arrows, please bring them to registration.

Coaches will inspect equipment for safety and adjust draw length if needed.

To Pre-register email Steph Barnhart @ barn701@gmail.com the following info

1. Name(s) & age of archers
2. Bow types
3. If you need to rent or have your own equipment.
4. Which time slot would you like to come to on registration day.
